

SOURCES SOUGHT NOTICE:

NAVSUP Weapon Systems Support (NAVSUP WSS) Philadelphia is seeking eligible contractors to furnish effort including labor, material, and facilities as may be required to repair and/or modify the items as specified within this document.

The Government intends to solicit and negotiate with only one source under the authority of FAR 6.302-1. Government intends to solicit for the repair of: NSN 2915-105327454, P/N 756400-103, Fuel System Valve, V-22. The government does not possess (or cannot provide) the data necessary to perform the required repairs of the item.

One or more of the items under this acquisition is subject to the Free Trade Agreements Act and/or the World Trade Organization Government Procurement Agreement and Free Trade Agreements.

All responsible sources may identify their interest and provide capability statements in response to this notice. This notice of intent is not a request for competitive proposals. However, all proposals received within 15 days after date of publication of this sources sought notice will be considered by the Government. A determination by the Government not to compete with this proposed contract based upon responses to this notice is solely within the discretion of the Government. Source Approval is required. WSS will not delay award while Source Approval is pending.

The time required for approval of a new source is normally such that an award cannot be delayed pending approval of a new source. If you are not an approved source you must submit, together with your proposal, the information detailed in the NAVSUP-WSS Source Approval Information Brochure for Repair. Additional information for submitting a Source Approval Request package can be obtained at: https://www.navsup.navy.mil/navsup/ourteam/navsupwss/business_opp.
